

Meet the Teacher

Mrs. Joggie

About Me

I have been working here at The Kidz House since July of 2023, and i know that god was the one that open the door for this opportunity. I've worked with 1 year-olds since 2021 and I'm grateful to god for that, I love my job. In my free time I am with my family and in church.

Education

I attended AMEDCO American Educational College of Puerto Rico and completed my degree in Secretarial Science. I then completed my teaching certification in 2021 and have been working with kids since.
