About Me

Welcome to my Class!

I am from Puerto Rico and a registered nurse. I have been working with 1 year-olds kids for two years and I love and enjoy attending to them. It makes me so proud to see how each of them evolve and grow in my class. I am a wife and a mother to two beautiful girls. I enjoy my free time to the max with my family.

Education

I went to Columbia Center University and completed my Bachelors degree in Nursing RN to BSN . I then moved to Florida and got my certification to teach early childhood education in 2022.
